- . Hail Holy Queen- Our Mother of Mercy.

Joyful Mysteries

The joyful mysteries are when it is a cheerful time like when Jesus was born. It tells us that even in the darkest times hope can rise.

We share joy by lifting each other up and being gleeful to other people

Luminous Mysteries

The Luminous Mysteries is a mystery when light [love] reaches to the highest mountain it is also when evil is destroyed.

We use it when we are in a scary time or a frightening time.

We reach up to God and ask for help.

Sorrowful Mysteries

The Sorrowful mystery is a miserable time when all hope is lost into the darkness like when Jesus was crucified or died on the cross.

Some people even say "The Lord is a shelter for the oppressed, a refuge in times of trouble."

Glorious Mysteries

The Glorious Mystery is when it's a lovely time to spend with family and friends.

Like how Jesus meant to marry through love and kindness.

It's how we care and take care of each other while we watch for our values to be used.

Why is The Rosary important to Catholics?

It's important to Catholics because it helps us pray to Mary and God when we are traveling or when we are sick.

We all take care of the rosary and the church so God will take care of us.
